

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

Jason Arthur Altheide,

Case No.: 2:19-cv-02245-JAD-BNW

Petitioner

V.

Order Striking Pro Se Motion to Lift Stay

State of Nevada, et al.,

[ECF Nos. 87, 88]

Respondents

9 Jason Arthur Altheide brings this federal habeas action to challenge his Nevada state
10 conviction, habitual-criminal adjudication, and life sentences.¹ This court stayed this case in
11 2023 to give Altheide the opportunity to exhaust his unexhausted grounds.² And although
12 Altheide originally filed this case on a pro se basis, the Federal Public Defender was appointed to
13 represent him and still does.³ Despite being represented, Altheide has filed a pro se motion to
14 lift the stay,⁴ and the respondents ask this court to strike or deny that motion as an unauthorized
15 pro se filing by a represented party.⁵

16 This court's local rule IA 11-6(a) prohibits a party who is represented by counsel from
17 filing his own documents with the court. It states that "a party who has appeared by attorney
18 cannot while so represented appear or act in the case. This means that once an attorney makes an
19 appearance on behalf of a party, that party may not personally file a document with the court; all

1 filings must thereafter be made by the attorney.”⁶ Because Altheide is a party who is represented
2 by counsel, this rule prohibits him from filing motions on his own behalf. So I grant the
3 respondents’ motion to strike his motion to lift stay. Altheide is cautioned that if he wants the
4 court to take action in this case, he must reach out to his attorneys, Alicia Intriago and Amelia
5 Bizzaro at the Federal Public Defenders Office, and ask them to file the motion on his behalf; he
6 may not file documents with the court on his own.

7 **IT IS THEREFORE ORDERED** that the respondents’ motion to strike [ECF No. 88] is
8 **GRANTED; the Clerk of Court is directed to STRIKE the petitioner’s pro se motion to lift**
9 **stay [ECF No. 87] and mail a copy of this order to the petitioner at HDSP.**
